

CAREER OBJECTIVE

Aspiring software developer aiming to leverage my knowledge in programming languages, data structures, and software development methodologies to contribute to meaningful projects and enhance my technical expertise.

WORK EXPERIENCE

Cyber Security • Internship Jan 2025 - Feb 2025
InternsVeda, Virtual

Through this internship, I had the privilege of working on challenging projects, honing my abilities in ethical hacking, Python programming, Linux scripting, and cybersecurity, while also developing a structured approach to time management. Each task pushed me to think critically, adapt quickly, and apply theoretical knowledge to practical solutions.
